## **W.J. MALONEY PLUMBING EARNS WOMEN-OWNED BUSINESS ENTERPRISE CERTIFICATION**

W.J. Maloney Plumbing Co., Inc. has announced that it has earned Women-Owned Business Enterprise (WBE) certification from the City of Phoenix Equal Opportunity Department.

Companies with the WBE designation are firms located in the United States that are at least 51 percent owned and controlled by a woman. The WBE certification is an incentive program to ensure woman-owned firms have an equal opportunity to participate in City of Phoenix projects.

As a certified WBE, W.J. Maloney Plumbing may be used to satisfy WBE subcontracting goals on selected public works contracts awarded by the city. WBE certification is valid on all contracts bid by the City of Phoenix that specify the use of WBE subcontractors, and on projects bid by Maricopa County that specify the use of women.
