W.J. MALONEY PLUMBING, HEATING & COOLING PROMOTES ALAN BOUGHTON TO VP OF CONSTRUCTION

W.J. Maloney Plumbing, Heating & Cooling., Inc. has announced that Alan Boughton, LEED AP, has been named vice president of construction. Boughton, who has been with W.J. Maloney Plumbing, Heating & Cooling for nearly 15 years, previously held the position of project manager and estimator.

In his new position, Boughton oversees all of the commercial construction division's activities including estimating, collaborating with field superintendents and assisting with project management duties, as well as marketing and business development.

Boughton attended the University of Texas at Austin and the Mechanical Contractors Association of America Institute for Project Management. He is also certified in medical gas by the National Fire Protection Agency (NFPA), and holds a 30-hour Occupational Safety and Health Administration card.

Boughton is a current resident of Gilbert.

Since 1964, W.J. Maloney Plumbing, Heating & Cooling has been a leading plumbing contractor in the greater metropolitan Phoenix area. Working with many of the largest general contractors, the company has provided exemplary design-build plumbing, from tenant improvement to complex multi-story projects that include many of the most prominent buildings in the Valley. Recent projects for W.J. Maloney Plumbing, Heating & Cooling include the Orthopedic and Spine Inpatient Surgical (OASIS) Hospital in Phoenix, the solar thermal project at the University of

Arizona, the Sky Train Project at Sky Harbor International Airport and the Mariposa Land Port of Entry expansion near Nogales. W.J. Maloney Plumbing, Heating & Cooling also provides extensive commercial and residential service, maintenance and repair, and is Small Business Enterprise (SBE) and Disadvantaged Business Enterprise (DBE) certified.
