## **W.J. MALONEY PLUMBING NOW APPEARING ON WEEKLY TV AND RADIO “IMAGE HOME IMPROVEMENT SHOW”**

W.J. Maloney Plumbing Co., Inc. is now appearing on the weekly radio and television “Image Home Improvement Show.” The show, which airs Saturdays at 8:30 a.m. on AZTV Channel 7/Cable 13 and on XTRA Sports 910, brings a Home Improvement Pro Panel together to answer questions about home improvement.

An expert from W.J. Maloney Plumbing, along with other panelists, provides answers to home care and management questions, shares ways to save money with preventative care and proper maintenance routines and offers safety and precautionary advice for home improvement projects. They also discuss how to catch small problems before they become big problems, talk about ways to create sustainable equity through energy efficient practices and present weekly tips for keeping up a home’s image – both inside and out.

“This is an excellent forum for us to share some of our expertise with the viewers and listeners,” said Kathryn “Kitty” Maloney-Langmade, president of W.J. Maloney Plumbing, Inc. “It could be as basic as making sure homeowners know how and where to shut their water off or as complex as integrating renewable energy solutions into remodeling projects.”

Since 1964, W.J. Maloney Plumbing has been a leading plumbing contractor in the greater metropolitan Phoenix area. Working with many of the largest general contractors, the company has provided exemplary design build plumbing, from tenant improvement to complex multi-story projects that include many of the most prominent buildings in the Valley. Among W.J. Maloney's current projects are a first-of-its kind solar thermal project at the University of Arizona, the Orthopedic Spine Hospital in Phoenix and the U.S. Border Patrol's Mariposa Land Port of Entry near Nogales. W.J. Maloney Plumbing also provides extensive commercial and residential service, maintenance and repair, and is Small Business Enterprise (SBE) and Disadvantaged Business Enterprise (DBE) certified.
