W.J. Maloney Plumbing, Heating & Cooling Wraps-Up Work On Muhammad Ali Parkinson Center and Movement Disorders Clinic

W.J. Maloney Plumbing, Heating & Cooling has added to its healthcare and medical center expertise with the conclusion of its work on the plumbing system at the Muhammad Ali Parkinson Center and Movement Disorders Clinic at St. Joseph's Barrow Neurological Institute in Phoenix.

W.J. Maloney Plumbing, Heating & Cooling was the responsive low bidder of the plumbing system on the remodeling project, including testing and certification.

Kitchell served as the general contractor on the project.

The Barrow Neurological Institute is part of St. Joseph's Hospital and Medical Center, the largest hospital in the Dignity Health system. Barrow has been one of the preeminent centers for specialty neurological care in the United States for more than four decades.

The healthcare industry continues to be a strong construction segment for W.J. Maloney Plumbing, Heating & Cooling, as the company has recently been contracted for design/build services at the Veteran's Administration's Southeast Healthcare Clinic in Gilbert, St. Joseph's Westgate Medical Center in Glendale and La Loma Village assisted

living complex in Litchfield Park and a completed project at the Orthopedic and Spine Inpatient Surgical (OASIS) Hospital in Phoenix.

“We have been selected by a number of general contractors to work on some of the most prominent hospital and healthcare centers in Arizona,” said Kathryn “Kitty” Maloney-Langmade, president of W.J. Maloney Plumbing, Heating & Cooling. “Our team is proud to be able to continually deliver outstanding construction services on these projects that have such a positive impact on each of their respective communities.”

Since 1964, W.J. Maloney Plumbing, Heating & Cooling has been a leading plumbing and HVAC contractor in the greater metropolitan Phoenix area. Working with many of the largest general contractors, the company has provided exemplary design build plumbing, from tenant improvement to complex multi-story projects that include many of the most prominent buildings in the Valley. Recent projects for W.J. Maloney include a major solar thermal project at the University of Arizona, the Sky Train Project at Sky Harbor International Airport and the Mariposa Land Port of Entry expansion near Nogales. W.J.
