## **W.J. Maloney Plumbing, Heating & Cooling Begins Work On St. Joseph's Westgate Medical Center In Glendale**

W.J. Maloney Plumbing, Heating & Cooling has begun work on the new St. Joseph's Westgate Medical Center in Glendale, a \$44 million Dignity Health facility scheduled to open in early 2014.

W.J. Maloney Plumbing, Heating & Cooling is responsible for the design/build of all the plumbing and medical gas systems on the project, including testing and certification.

When the new facility opens, the first phase will contain a 60,000 square-foot hospital that will include an emergency room, 24 inpatient beds, two operating rooms and diagnostic services. Located at Glendale and 99<sup>th</sup> avenues, it will provide West Valley residents with a new alternative to receive high quality healthcare services.

Hunt Construction Group is the general contractor.

The St. Joseph's Westgate Medical Center project further strengthens W.J. Maloney Plumbing, Heating & Cooling's reputation for delivering quality design/build services in the healthcare industry.

W.J. Maloney Plumbing, Heating & Cooling is also working on the Veteran's Administration's Southeast Healthcare Clinic in Gilbert and La Loma Village assisted

living complex in Litchfield Park and recently completed work on the Orthopedic and Spine Inpatient Surgical (OASIS) Hospital in Phoenix, a 94,000 square-foot total joints and spine specialties hospital featuring eight operating rooms and 68 beds.

“Our team has been able to identify a sector of the construction industry that fits well into the expertise that our company has,” said Kathryn “Kitty” Maloney-Langmade, president of W.J. Maloney Plumbing, Heating & Cooling. “The general contractors have recognized those strengths as we continue to grow our business.”

Since 1964, W.J. Maloney Plumbing, Heating & Cooling has been a leading plumbing and HVAC contractor in the greater metropolitan Phoenix area. Working with many of the largest general contractors, the company has provided exemplary design build plumbing, from tenant improvement to complex multi-story projects that include many of the most prominent buildings in the Valley. Recent projects for W.J. Maloney include a major solar thermal project at the University of Arizona, the Sky Train Project at Sky Harbor International Airport and the Mariposa Land Port of Entry expansion near Nogales. W.J. Maloney Plumbing also provides extensive commercial and residential service, maintenance and repair, and is Small Business Enterprise (SBE) and Disadvantaged Business Enterprise (DBE) certified.
