W.J. Maloney Plumbing, Heating & Cooling lands two more school projects

W.J. Maloney Plumbing, Heating & Cooling has landed two west-side school projects, one for the Glendale Union High School District and one for the Peoria Unified School District.

Noted for its work with school districts, including the Phoenix Union High School District and the Paradise Valley Unified School District, W.J. Maloney Plumbing, Heating & Cooling is now working on projects at Greenway High School and the new Sunset Heights Elementary School in Peoria.

At Greenway High School, W.J. Maloney Plumbing, Heating & Cooling is proving the plumbing, wastewater and gas systems for both the new science and band buildings as part of Phase 3 of construction.

Sunset Heights Elementary School will open in August with kindergarten through seventh-grade students. It is the district's 33rd elementary school. W.J. Maloney Plumbing, Heating & Cooling's work has included Buildings 1 and 2 totaling nearly 200,000 square feet.

McCarthy Building Companies, Inc. is the general contractor for both of these school projects.

“Our team has strengthened its expertise in public school projects over the last few years,” said Kathryn “Kitty” Maloney-Langmade, president of W.J. Maloney Plumbing, Heating & Cooling. “Knowing that districts demand the highest quality construction – we take these projects as excellent examples of the type of work we deliver.”

Now celebrating its 50th anniversary, W.J. Maloney Plumbing, Heating & Cooling has been a leading plumbing and HVAC contractor in the greater metropolitan Phoenix area since 1964. Working with many of the state’s largest general contractors, the company has provided exemplary design-build plumbing, from tenant improvement to complex multi-story projects that include many of the most prominent buildings in the Valley.

Additional projects completed include the new Cubs Park in Mesa, the Orthopedic and Spine Inpatient Surgical (OASIS) Hospital in Phoenix, the solar thermal project at the University of Arizona, the Sky Train Project at Sky Harbor International Airport and the Mariposa Land Port of Entry expansion near Nogales. W.J. Maloney Plumbing also provides extensive commercial and residential service, maintenance and repair, and is Small Business Enterprise (SBE) and Disadvantaged Business Enterprise (DBE) certified.
